

OPENING DAY!

It is once again time to open the doors to our dining room!
Reservations are encouraged but walk-ins are also welcome.
We do ask that you **please** inform us if your plans change and you
are no longer able to keep your reservation.

We continue to offer three options for you to enjoy your Cyranos
meals: Takeout (including Curbside), Patio Dining & Indoor Dining

We are beyond grateful -as always- for all of the love, support and
encouragement you have all shared with us.

See you soon!!!
